

Roll for the Soul workshop menu, June 2015

Here are our prices for some common workshop jobs. Just because it isn't on this list doesn't mean we don't do it. Whatever it is, please ask. We want to help.

We do our very best to stick to these prices, but sometimes a job turns out to be more difficult than anticipated and we need to add a little for labour to cover the extra time. This is charged at £35 per hour. We'll check with you before doing the extra work or supplying any extra parts so that you can say no if you want.

Service Packages

- Setup service** **£35** (plus parts)
Check, set and tune brakes and gears; clean and lubricate chain; check and inflate tyres; light wheel true; hubs, headset and bottom bracket adjusted as necessary; full bolt safety check.
- Full service** **£80** (plus parts)
As for setup service, but with addition of complete clean and re-grease of hubs, headset, and bottom bracket.
- Complete overhaul** from **£100**
Strip and rebuild, including a thorough clean of frame, bearings and parts as required.

Maintenance tuition

- Tailored teaching session** **£35** per hour
We teach up to three people (sharing the cost) at a time and can cover whatever you're interested in learning about. Sessions are hands-on and you'll need to bring your own bike on which to work. We provide all tools. Please get in touch to talk about your requirements.

Systems Services

- Cable brake service** **£15** (plus parts)
Front and rear brakes set; new pads/cables fitted as necessary
- Hydraulic brake servicing (per caliper)**
- | | |
|------------------------------------|------------|
| <i>Bleed</i> | £20 |
| <i>Clean and lubricate pistons</i> | £5 |

Workshop opening hours:

Mon-Fri 9am – 5.30pm
Sat 10am – 5.30pm
Sun closed

The café's open later than the workshop, so let us know if you'd like to drop off or collect a bike later in the evening and we can arrange for a member of café staff to help you.

Workshop phone: 07596 917 963
