

Meeting space and venue hire

Roll for the Soul was founded in 2013. Inspired by our involvement in grassroots cycling projects, most notably The Bristol Bike Project and Bristol Cycle Festival, we are a not-for-profit Community Interest Company whose social aims focus on supporting and promoting cycling in our city.

Based on Quay Street, just off Colston Avenue, our licensed cafe offers good-value, healthy, vegetarian food and locally-sourced drinks, and our workshop repairs and services bikes as well as providing maintenance tuition. We run events and provide space for others to do so, seeking in particular to work with non-profits, voluntary groups and third-sector organisations.

The Hub is our first-floor meeting/event space. It can accommodate up to 12 people in boardroom layout, or 20 in theatre layout. It is a light, airy space ideal for meetings, workshops and training sessions where privacy is required. The adjacent upstairs space can be used as overspill for breakout groups.

Hire rates for The Hub

- **£15.00 per hour (inc. VAT) for up to four hours**
- **£12.00 per hour (inc. VAT) for four hours or more**
- **10% reduction for non-profit organisations**

We offer a 50" TV for AV services at no extra cost (PC and Mac connectors available). We can provide catering from our standard menu, or buffet style. Our typical meeting catering package is outlined below, but we can provide alternatives to suit your budget. All food is vegetarian, but we can easily cater for those needing dairy-free and/or gluten-free options.
